MOBILITY AND COOPERATION PROJECTS AS A TOOL FOR DEVELOPMENT OF INTERNATIONAL SKILLS COMPETITIONS

Online seminar on zoom

9th - 10th December 2021

The idea of the seminar is to gather a group of vocational skills competition enthusiasts and support them in professionalization of their knowledge and tools within planning and realization of international cooperation projects. Participants will have a chance to network, to cooperate and to become familiar with the opportunities of the Erasmus+ programme in relation to skills competitions.
